

Commitment to read

I, commit myself to join the reading team of Standing 4 Christ Ministry and promise to stay faithful to my commitment according to the desire of my heart. I also devote myself to promote the program in my immediate and distant environment for the benefit of those who are hungry of knowing the Word of God as they should.

Furthermore, I promise to utilize the new knowledge I will acquire to serve God better and to shine as a disciple of Jesus-Christ for the advancement of His God's kingdom.
